

INTERVIEW SUMMARY

We thank Examiner Steven Sax for the telephonic interview conducted on November 26, 2010 at about 11:00 a.m. Eastern time. Potential amendments to claims 45 and 51 were discussed with respect to the cited art, but no agreement regarding specific language was reached. The issue of whether addition of a computer readable medium claim is an error that supports a broadening reissue was discussed. Although no agreement was reached, we thank the Examiner for his consideration and time.
